

Lafayette Hockey Club

Dierberg's Fundraising gift Card Program

Do you buy groceries? How would you like to buy groceries as you always have and support the Lafayette Hockey Club at the same time? Instead of using your credit or debit card, writing a check or cash— use the gift card!

In cooperation with Dierbergs, the Lafayette Hockey Club is selling Dierbergs Fundraising Gift cards in increments of \$25 or \$100. These cards can be used to purchase groceries as you always have. For every \$25 or \$100 you spend on a card, you get \$25 or \$100 worth of groceries or anything else they sell in the store and the cards do not expire. For each card sold, Dierbergs donates 5% back to the club.

In order for this to be effective, we hope you will consider purchasing a set number of cards each month based on your grocery needs and use the cards on a regular basis. Fill out the order form below and mail, email or see me in person at a game to receive the cards. You may sell to family, friends, and neighbors as well.
